

# AIR OPUS®

## OFF-ROAD

**Cuts your set up time in half.  
No poles to set up.**

**YES! The Tent Canopy & Annexe Inflates**

**GOOD DESIGN Award**

**Makes camping accessible to everyone**

Australian Good Design Award Winner 2017, German Design Award Winner 2018

**GERMAN DESIGN AWARD WINNER 2018**

The Air OPUS® camper trailer utilises the latest air beam tent technology, so that the main tent canopy and annexe inflates rather than being manually erected using metal poles. It provides great space, comfort and convenience for adventurous families, ready to tow anywhere behind a typical family SUV or 4WD.
