Features

Internal

- Club Lounge with Portable Dining Table, perfect for relaxing or entertaining.
- Plush Leatherette Interior Seating for comfort and easy cleaning.
- Under-Seat Storage for convenient packing and space management.
- New Steel Cabinets for secure and organised storage.
- Full Control Panel for all 12V systems with dual water gauges.
- Dimmable LED Lighting throughout the interior for a bright, energy-efficient environment.
- 75L Dual-Compartment Bluetooth Fridge/Freezer for fresh food and drinks on the go.
- Radio / USB / AUX / Bluetooth Stereo with 2 x 6" Speakers for entertainment anywhere.
- Lockable Connected Shower Box for comfort and privacy.
- Built-In Step for easy entry and exit.
- Fire Extinguisher for added safety.

Tent

- Air OPUS® Main Tent with integrated Tropical Roof for added insulation and protection.
- Air OPUS® Annexe, complete with Floor & Draft Skirt, ideal for extra sleeping or living space.
- Two Internal Sleeping Pods offering privacy and comfort.
- Two Luxurious Double Beds, convertible to King-Size (optional).
- Memory Foam Mattresses for a superior night's sleep (Firm mattress optional).
- Tropical Roof helps regulate temperature and reduces condensation.

External

- One-Piece Hot Galvanised-Dipped Chassis for exceptional durability.
- Aluminium Composite Sandwich Panels and Aluminium Frame for lightweight strength.
- Durable Suspension System with heavy-duty coil springs and dual shock absorbers for smooth towing.
- 15" Alloy Wheels with 235/75R15 Mud Terrain Tyres and a Full-Size Matching Spare Wheel.
- Mesh Stone Guard for front-end protection.
- Mud Flaps (Front and Rear) for off-road debris protection.
- Lockable Tow Hitch with STD 50mm Coupling and Dual Heavy-Duty Break-Away Chains.
- Fold-Away Jockey Wheel for easy maneuverability.
- Mud-Terrain-Ready Construction, built to conquer rugged terrain.
- 2 x 20L Jerry Can Holders for additional fuel or water capacity.
- 2 x 5kg Gas Rings (Grey) for convenient gas storage.
- LED Tail and Clearance Lamps for visibility and safety.

Plumbing & Kitchen

- Slide-Out Stainless Steel Kitchen with integrated Sink and Cutlery Tray.
- 4-Burner Gas Stove with Plumbing and Quick Gas Connection for fast, efficient cooking.
- New LED Lighting around the slide-out kitchen for evening use.
- Powered Fridge Slide and Slide-Out Pantry for easy meal preparation.
- 2 x 80L Stainless Steel Water Tanks providing ample fresh water supply.
- Dual Water Gauges to monitor tank levels conveniently.
- 5L/min Gas Geyser for on-demand hot water.
- Lockable Connected Shower Box for privacy and hygiene on the go.

Electrical

- 1 x 105Ah Lithium Battery for reliable, long-lasting power.
- Plug & Play 240V Charger for fast and efficient recharging.
- Fused Anderson Plug to Battery for secure and safe connections.
- Full 12V Control Panel managing all onboard electrical systems.
- 4 x Internal / 1 x External USB & 12V Outlets for convenient device charging.
- LED Lighting throughout for low-power, high-brightness illumination.
- Electric Drum Brakes with integrated Elecbrake Controller.
- Electric Brake-Away System for enhanced towing safety.
- 7-Pin Trailer Plug compatible with most vehicles.
- Solar Panel Ready.

Additional Details

- Total Sleeping Capacity: Up to 8 people.
- Recommended Use: Family camping, long-distance travel, and off-road exploration.
- Construction: Off-road chassis and suspension engineered for durability and strength.
- Can Sleep up to 10 People when used with the inflated annexe tent.
