Features

Internal

- Club Lounge with Portable Dining Table – a flexible, comfortable space for dining and relaxation.
- Plush Leatherette Interior Seating – elegant, easy to clean, and built for comfort.
- Under-Seat Storage – practical and discreet storage for your essentials.
- New Steel Cabinets – durable and secure storage for all gear and supplies.
- Full 12V Control Panel – manage all lighting and electrical systems from one central hub.
- Water Level Gauge – easy monitoring of fresh water supply.
- LED Lighting throughout the interior for efficient, warm illumination.
- 75L Dual-Compartment Bluetooth Fridge/Freezer – keeps food and drinks perfectly chilled on every journey.
- Lockable Connected Shower Box for added convenience and privacy.
- Built-In Step for easy access in and out of your camper.
- Fire Extinguisher included for safety and compliance.

Tent

- Air OPUS® Main Tent with a Tropical Roof, offering superior insulation and protection against the elements.
- Air OPUS® Annexe, complete with Floor & Draft Skirt, perfect for expanding your living or sleeping space.
- Double Bed with Internal Sleeping Pod for added privacy and comfort.
- Memory Foam Mattress ensures a restful night's sleep, no matter the terrain.
- Can Sleep up to 8 People when used with the inflated annexe tent — ideal for families or groups.

External

- One-Piece Hot Galvanised-Dipped Chassis for strength, corrosion resistance, and long-lasting durability.
- Aluminium Composite Sandwich Panels and Aluminium Frame – lightweight construction that doesn't compromise toughness.
- Durable Suspension System with Heavy-Duty Coil Springs and Dual Shock Absorbers – ready for off-road conditions.
- 15" Alloy Wheels fitted with 235/75R15 Mud Terrain Tyres, plus a Full-Size Matching Spare Wheel.
- Mesh Stone Guard – protects your trailer body and undercarriage from debris.
- Mud Flaps (Front and Rear) for added road protection.
- Lockable Tow Hitch with STD 50mm Coupling and Dual Heavy-Duty Break-Away Chains for secure towing.
- Fold-Away Jockey Wheel for easy manoeuvring and setup.
- LED Tail and Clearance Lamps – bright, reliable visibility on and off the road.
- 2 x 20L Jerry Can Holders for extra fuel or water.
- 2 x 5kg Gas Rings (Grey) – integrated for convenient storage of gas bottles.
- Built Tough for Off-Road Performance – ideal for South African conditions.

Plumbing & Kitchen

- Slide-Out Stainless Steel Kitchen with integrated Sink and Cutlery Tray – durable, functional, and easy to clean.
- 4-Burner Gas Stove with Quick-Connect Plumbing and Gas Fittings – efficient and reliable cooking setup.
- New LED Lighting around the kitchen for evening visibility.
- Powered Fridge Slide and Slide-Out Pantry – keep all your cooking gear and ingredients easily accessible.
- 1 x 80L Stainless Steel Water Tank – providing fresh water for extended adventures.
- 5L/min Gas Geyser – enjoy instant hot water for cooking or showering.

Electrical

- 1 x 105Ah Lithium Battery – high-performance, low-maintenance power solution.
- Fused Anderson Plug to Battery – ensures safe and efficient charging.
- Plug & Play 240V Charger – connect easily to mains power at campsites.
- Full 12V Electrical System – powering lighting, USB ports, and onboard equipment.
- 4 x Internal / 1 x External USB & 12V Outlets – charge phones, lights, and devices anywhere.
- Radio / USB / AUX / Bluetooth Stereo with 2 x 6" Speakers – your soundtrack for every journey.
- LED Lighting System – low energy draw, high visibility.
- Electric Drum Brakes with Elecbrake Controller – smooth, responsive braking for towing safety.
- Electric Brake-Away System – added protection for long-distance travel.
- 7-Pin Trailer Plug – standard connectivity with most vehicles.

Additional Details

- Sleeping Capacity: Up to 8 people.
- Chassis Type: Off-road rated, hot-dipped galvanised steel.
- Purpose: Ideal for family getaways, off-grid adventures, and long-distance touring across varied terrain.
